

Delusions.

Why's it always when I'm sick?
Perhaps, it is one more effect
of a fever-

Not fever dreams,
No,
Those are much more realistic
honestly.

Like?

Chicken or the egg,
Thoughts or illness
Either way,
I'm over it.

It's just the heat..

It's just the heat.

*How much do leeches go for these
days?
Or have I unwittingly succumbed to
this treatment already?
Will it end?*

Maybe they're onto something..
Calling it fleas.

I hear their cycle is every 2-3
weeks.

Merely a coincidence?
