....

But what is next?
The middle ground
Come on..
Trust yourself...

You have..

You can...

You don't understand
This is the first time

...
This is
the only...

I AM

....

~~But oh no~~
~~-continue.~~

~~Love to hear it all in one breath.~~

~~Just one breath.~~

....

~~Just one breath.~~

To overcome this idea of
me, I, mine.

To see
To truly see

To fucking listen...

But how can..
But what about..
I don't understand...

You HAVE to...

HAVE TO?

Perhaps that is all self-imposed?

You must not understand
You read... but do you know?

Know?

Know.
Feel.
Trust.

.....

.....

Well, I just don't understand why you are concerned with things that don't affect you.

I'm just worried about
me and I and mine...

That's...
that's
the

WHOLE
FUCKING
POINT!

How it has

Formed you.

Hindered you.

Coerced you.

Blinded you.

Programmed you.

Well, I just don't understand why you are concerned with things that don't affect you.

I'm just worried about
me and I and mine...

That's...
that's
the

WHOLE
FUCKING
POINT!

How it has

Formed you.

Hindered you.

Coerced you.

Blinded you.

Programmed you.

You must recognize first
how all of this
affects

YOU,

personally.

WHO?
WHERE?

I don't see this happening...

LOOK...

NOWHERE.

I have read history
I know
And I don't want to repeat it..

EVERYWHERE!

You must recognize first
how all of this
affects

YOU,

personally.

WHO?
WHERE?

I don't see this happening...

LOOK...

NOWHERE.

I have read history
I know
And I don't want to repeat it..

EVERYWHERE!

(One breath there, huh?)

The reason we must
scream

The reason we have
anger

The reason for
collected isolation
in those moments...

(One breath there, huh?)

The reason we must
scream

The reason we have
anger

The reason for
collected isolation
in those moments...

(One breath, huh?)

(One breath.)

I do not care.
I do not see.

Everyone is the same.

It's like little... here.
Its changing, the place I have
grown up in..

..Really?

And why is it always forced
down my throat??

Why do they need to... all
in my face??

(One breath, huh?)

(One breath.)

I do not care.
I do not see.

Everyone is the same.

It's like little... here.
Its changing, the place I have
grown up in..

..Really?

And why is it always forced
down my throat??

Why do they need to... all
in my face??

What...
someone's
existence?

*Well.. maybe I am.
A little..
I am.*

Picked up on that,

Yeah.

**Pretty
blatant
really.**

No.
We have it

**JUST
AS
HARD.**

What...
someone's
existence?

*Well.. maybe I am.
A little..
I am.*

Picked up on that,

Yeah.

**Pretty
blatant
really.**

No.
We have it

**JUST
AS
HARD.**

Well... I just don't see it that way.

I don't have *privilege*

it has been hard.

This is why they're
screaming

This is why I'm
screaming

We all have it, you're just blind to it.
That's what you're blind to really..

I just don't like when it's always....

Why is it not...

ALL?

What about my voice?

Why can't I ask questions?

Why is it

ANGRY?

Oh, cuz
politely
asking
fixed it,
huh?

Well... I just don't see it that way.

I don't have *privilege*

it has been hard.

This is why they're
screaming

This is why I'm
screaming

We all have it, you're just blind to it.
That's what you're blind to really..

I just don't like when its always....

Why is it not...

ALL?

What about my voice?

Why can't I ask questions?

Why is it

ANGRY?

Oh, cuz
politely
asking
fixed it,
huh?

ANGER
RAGE

Is one step.

Isolated, sure.
Give me space, to validate
Give me a collective feeling
To have hope...

Let me

SCREAM

Because someone needs to

FUCKING SCREAM

ANGER
RAGE

Is one step.

Isolated, sure.
Give me space, to validate
Give me a collective feeling
To have hope...

Let me

SCREAM

Because someone needs to

FUCKING SCREAM
